### Village of Fraser Lake Job Opportunities:

When Employment Opportunities arise at the Village, Job Postings are advertised on the Village Website and Village Facebook pages. We also use the Omineca Express and electronic media; however, because not everyone receives the Omineca Express we post all Job Postings on the Village websites and on the bulletin board at the front of the Village Office. This week we are looking for a janitor to work part time on weekends. Soon we will be looking for proposals from interested persons or groups to operate the Arena Concession.

We think the Village is a great place to work. The Village provides a competitive wage and benefits. If you'd like to become part of the team, please visit the Village website [www.fraserlake.ca](http://www.fraserlake.ca). Job Postings are listed under

"Career Opportunities". Resumes and Cover Letters are always accepted.
