Job Posting: Water Plant Operator/Maintenance

The Village of Fraser Lake is seeking a Water Plant Operator/Maintenance employee. This is a full-time position. Although management of our Water Treatment Plant is the primary responsibility of this position, our Water Plant Operator/Maintenance employee will also be involved in a wide range of maintenance duties.

Strong communications, time management and interpersonal skills are mandatory.

Technical competency in Microsoft Office, Microsoft Excel and Desktop Publisher is essential for report writing.

Hours of work are based on 40 hours per week. On call is required to conduct regular monitoring of the Water Treatment Plant via a Village provided cell phone. Evening and weekend work may also be required in respond to inclement weather, spring run off or other maintenance necessities. Training may require travel.

A competitive hourly wage and benefits are offered.

Please refer to the Village of Fraser Lake website www.fraserlake.ca for the full job description and list of preferred qualifications.

Applications will be treated as confidential and must be received by January 16, 2019 at 4:00 pm. Interested applicants must send a letter of interest and resume to:

Vern Hilman, Director of Public Works
